SET YOURSELF UP FOR SUCCESS: A PROACTIVE APPROACH TO BUILD RELATIONSHIPS WITH YOUR CHAIN OF COMMAND

January 29, 2024 | 1100 - 1300 EDT

COURSE DESCRIPTION

Forensic professionals often find themselves working within a paramilitary structure. For some, the concept of a "chain of command" might be new or not fully understood, leaving questions about the ideal professional dynamics and how to effectively navigate them.

This webinar will review tips for building a connection with command staff, and the importance of having a progressive relationship with your chain of command.

This webinar will also include tips for improving your leadership skills, communicating effectively, and creating and presenting proposals to your command staff.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
