

LIVE WEBINAR

# HOW TO CREATE A HEALTHY FORENSIC TEAM: TOOLS & TACTICS TO CHANGE A TOXIC WORK ENVIRONMENT

February 16, 2024 | 1200-1400 EDT

## COURSE DESCRIPTION

There is nothing more defeating for an employee then coming into work each day to a less than desirable work environment. While many leaders *want* to encourage change in their units to create a more positive workspace, they don't know *how* to.

This webinar will empower you with the skills and tools necessary to confidently correct issues in your work environment that cause toxicity like:

*Gossip, bullying, lack of accountability, resistance to change, negative attitudes, poor communication and burnout.*

Upon completion of this webinar, participants will emerge with a heightened understanding of how to change or completely eliminate toxic behaviors in the workplace so they can create a more positive and healthy forensic team.

## WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
