

LIVE WEBINAR

# UNLOCK YOUR AUTHORITY: CONTROL YOUR CRIME SCENES WITH THE C.A.L.M. METHOD

August 5, 2024 | 1100 - 1200 EST

## COURSE DESCRIPTION

Are you a dedicated Crime Scene Investigator that is tired of battling your officers, detectives and command staff? This webinar is designed to equip you with the skills and confidence you need to stand your ground, protect the integrity of your crime scenes and assert your scientific expertise.

In this webinar, we will discuss the world's leading techniques on effective **C**ommunication, how to be **A**ssertive, how to continue developing **L**eadership skills, and how to practice **M**indfulness so that you can enhance your ability to work collaboratively with your sworn counterparts during active investigations.

Upon completion of this webinar, participants will emerge with the knowledge and skills they need to establish their authority and confidently take control of their crime scenes,

## WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
