AUDITS & INVENTORIES MADE EASY

A HOW TO GUIDE FOR PROPERTY & EVIDENCE UNITS

December 6, 2024 | 1400 - 1600 EDT

COURSE DESCRIPTION

Are you ready to take your Property & Evidence Unit to the next level? Join us for an engaging and practical webinar where you'll learn the ins and outs of conducting effective audits and inventories. Discover why these practices are crucial for maintaining order, ensuring accountability, and preventing costly mistakes.

In this webinar, we will dive deep into:

- **Essential Inventories:** Understand the different types of inventories your unit should perform and the optimal frequency for each.
- **Targeted Audits:** Learn how to conduct precise audits for various sections of your unit, identifying which audits to perform and when.
- **Common Challenges & Solutions:** Explore the most frequent issues that audits and inventories can uncover and gain insights on how to address them swiftly and effectively.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
