

LIVE WEBINAR

# MANAGING YOUR PROFESSIONAL REPUTATION

## HOW YOU'RE SEEN, HEARD, AND REMEMBERED

April 3, 2026 | 1200 - 1330 EST

### COURSE DESCRIPTION

In law enforcement and forensic work, credibility is everything—and your reputation is built on what others see, hear, and experience from you every day. This webinar introduces the Reputation Triangle to help you assess how your behavior, communication, and impact shape trust and influence. Walk away with practical, actionable strategies to strengthen professional presence, close perception gaps, and build lasting credibility in high-stakes environments.

In high-stakes public safety and forensic roles, trust can be earned—or lost—in seconds. Learn how your actions and communication shape your reputation and discover the Reputation Triangle framework to identify blind spots and strengthen your professional impact. Gain clear, behavior-based tools to build credibility, improve team interactions, and project confidence when it matters most.

#### Who Should Attend:

Professionals in law enforcement and forensic settings who want to strengthen their professional presence, communicate more effectively under pressure, and build a reputation that supports trust, leadership, and career growth.

### WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
