

LIVE WEBINAR

# SWORN CSI VS. CIVILIAN CSI: THE BENEFITS OF BOTH

June 26, 2026 | 1000 - 1200 EST

## COURSE DESCRIPTION

This webinar explores the structure of crime scene investigation units, comparing sworn, civilian, and mixed staffing models. Participants will gain practical insight into how these approaches impact efficiency, investigative outcomes, and overall agency operations.

The course also examines the benefits and challenges of each model, along with strategies for building cohesive, high-performing teams. Ideal for agencies evaluating or transitioning their CSI units, this session provides real-world perspectives to support informed decision-making.

Key Topics:

- Sworn vs. civilian vs. mixed CSI unit models
- Operational impact of different staffing approaches
- Strategies for building effective, cohesive teams

## WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
