NIBIN UNFILTERED & ETRACE EXPOSED: Turning Brass into Leads

September 4, 2026 | 1100-1230 EST

COURSE DESCRIPTION

Every cartridge case has the potential to tell a story—if you know how to unlock it.

Join us for an engaging webinar exploring how NIBIN and eTrace work together to transform recovered cartridge cases and firearms into actionable investigative leads. Through real-world examples and practical strategies, you'll learn how these powerful tools can connect shootings, trace firearm histories, and strengthen investigations.

You'll learn how to:

- Use NIBIN and eTrace to generate investigative leads.
- Connect ballistic evidence with firearm tracing.
- Avoid common evidence collection and submission mistakes.
- Maximize the value of firearm evidence from the crime scene to the courtroom.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
